RESPONSIBLE RESEARCH PUBLICATION: INTERNATIONAL STANDARDS FOR EDITORS

Summary

• Editors are accountable and should take responsibility for everything they publish.
• Editors should make fair and unbiased decisions independent from commercial consideration and ensure a fair and appropriate peer review process.
• Editors should adopt editorial policies that encourage maximum transparency and complete, honest reporting.
• Editors should guard the integrity of the published record by issuing corrections and retractions when needed and pursuing suspected or alleged research and publication misconduct.
• Editors should pursue reviewer and editorial misconduct.
• Editors should critically assess the ethical conduct of studies in humans and animals.
• Peer reviewers and authors should be told what is expected of them.
• Editors should have appropriate policies in place for handling editorial conflicts of interest.
